

Statement of Retraction

The following article has been retracted from publication in the journal *Desalination and Water Treatment*: “Evaluating the reuse and recycling options of end-of-life reverse osmosis membranes in Tajoura desalination plant” by Bashir Brika, Abdul Aziz Omran, Nagi Greesh, Abubaker Abutartour published in vol. 263 (2022) pp. 45-52 [doi:10.5004/dwt.2022.28205].

It was brought to our attention by the authors that due to some internal issues the scientific committee of the Libyan Authority for Scientific Research decided to withdraw the paper.

We note that we received, peer-reviewed, accepted, and published the article in good faith based on these warranties. The retracted article will remain online to maintain the scholarly record, but it will be digitally watermarked on each page as RETRACTED.
